To Troop 101:

To every scout, parent, scout master, or den parent who donated their time and effort in the can food drive this year we say

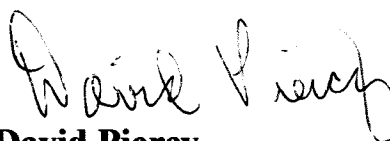

“Thank You!”

Because of your hard work, Pack 101 collected 1,409 pounds of food and Troop 101 collected 4,797 pounds for a total of 6,206 pounds of non-perishable food items this year. This relieves us of a great financial obligation which in turn allows us to provide housing for more men who want to continue on the right path for their life.

All of your efforts makes a tremendous difference in the lives of the men who reside here. Without your kindness and thoughtfulness it would be impossible for us to provide for the needs of the house.

Please remember us in your prayers during the coming year and may God richly bless each of you.

Sincerely yours,

David Piercy
Executive Director
